

Renewal and Data Policy Association of Spaceflight Professionals

spaceflightprofessionals.org and Google Workspace

Updated July 7, 2021.

By accessing these Web resources, you consent to the following Renewal and Data Policy.

1. Upon membership expiration, a member's account at spaceflightprofessionals.org is marked as lapsed.
2. With no account activity 14 days after lapse, a member's account at spaceflightprofessionals.org and within ASP's Google Workspace is marked as suspended.
3. With no further account activity after 3 months, a user's account at spaceflightprofessionals.org is archived. At that time, a user's data in ASP's Google Workspace is deleted permanently. All documentation kept in ASP's shared Drives is owned by the team and is maintained in the shared Drives for continued team use. With this in mind, please plan to export all data from Wild Apricot and Google Workspace that you plan to retain within this 3-month period.
4. Any future member signups will require a reapplication on spaceflightprofessionals.org and account reinstatement in ASP's Google Workspace.
